

## Rural Business Research Regional Events 2011

We would like to invite you to our Farm Business Survey Workshops and offer you the opportunity to discover what the [www.FarmBusinessSurvey.co.uk](http://www.FarmBusinessSurvey.co.uk) can do for you.

The FBS is the most extensive and independent source of information, on both the physical and economic performance of farm businesses.

Our Events will be held throughout the country in early 2011, and we encourage you to come and join us. They will focus on the use of our [FBS Internet Reports](#).
