**IAgrM National Farm Walk Tuesday 3<sup>rd</sup> June 2008**

This year's summer National Farm Walk which is taking place thanks to the kind invitation of Chris Musgrave at Temple Farm, Rockley, Marlborough on Tuesday 3rd June. Chris manages Temple Farming which runs Temple Farm as well as two other neighbouring estates – Barbury Castle Estate and Manton Farming. Together they total some 6,500 acres with two race horse training centres – one flat and one National Hunt, with 19 miles of race horse gallops and 2,500 acres of combinable crops. In addition, Chris is responsible for the Barbury Castle Horse Trials, two shoots, extensive Countryside Stewardship and ELS options and some fabulous Downland. This promises to be a really interesting day out and an insight into how this very successful farming and sporting enterprise works.

The cost of the day (lunch etc) for members of the Institute will be £25.00 and £35.00 for non members.

Can you please return the attached slip by 20<sup>th</sup> May so that the necessary catering and logistical arrangements can be made, and joining instructions will be sent out approximately 10 days prior to the event.

Yours sincerely

Richard Cooksley
