

## **Institutional registration and subscription activation on IngentaConnect**

If your institution does not already hold an IngentaConnect registration, you can register and activate your institutional journal subscriptions by going to:

<https://www.ingentaconnect.com/register/institutional>

The whole process involves 5 simple steps and should take you no more than 5 minutes.

Please have the following information available before you begin:

- As administrator, your basic contact details
- Your library/institution's name and address – please make sure you enter your postcode/zipcode
- IP address/range for your institution if you wish to be IP recognized to access subscribed content.

### **Step 1 – Institutional and administrator contact details**

You will need to enter your organization name, address, and provide an administrator contact name and email address.

### **Step 2 – Authentication**

Authentication details: How do you want to access the publications you are subscribed to?

Access to IngentaConnect can be set up in two ways. You may choose one or both methods of authentication.

- IP address/range (users accessing from computers within an IP range defined by the site administrator) - You may need to consult your network administrator for this information. For more than one IP address or range, insert a semicolon between each.  
*Ex. 78.123.456.789;78.456.567.765-768*
- User name and password. This will be the shared login for general student/staff access.

### **Step 3 – Administrator sign in**

This will be the login to access the administrator home page. From here you can create payment accounts, setup subscription access, view statistics, sign up for alerting, change administrator or authentication details, and configure library branding. The administrator username must be different from the shared username created in the previous step.

Once all details are complete, tick the box after “I agree to Ingenta’s terms and conditions” and select the ‘Register’ button.

### **Step 4 – Confirmation of Registration**

The confirmation screen will provide you with your IngentaConnect customer ID number. This is your registration ID - please provide this number whenever you contact Ingenta as this will allow us to bring up your registration details immediately.

## Step 5 – Set up subscriptions

You can now click on the link 'set up subscriptions' to add your institutional subscriptions.

Search for or browse to the journal title(s) you subscribe to.

Enter your publisher subscription/customer/membership number in the box provided to the right of the publication title and tick the box to the left of the publication title. (If there is no box to provide a subscription number, the publisher does not require one. Proceed without entering this number.)

Click the 'add' link at the top or bottom of the journal list.
